New to a Methodist Church?

At BMC we ask all newcomers (whether you are transferring from another Church or joining for the first time) to come to an interesting and informative presentation called **"Welcome to BMC"**.

Here you will be introduced to our **vision, ministry and the process** of membership. You will also get to meet some of the ministry team.

Transferring from another Denomination?

After having attended the breakfast presentation; you need to attend a New Members Course that will be held every second month. After this you will then be received into full-membership at one of our reception services.

If you have NO previous church membership?

After having attended the breakfast presentation; you need to attend a New Members Course that will be held every second month. You are also required to attend our Alpha course which is an essential part of connecting you to the BMC family.

It doesn't matter in what order you attend the breakfast, New Members course or Alpha as long as you attend everything required in your category.

Transferring from another Methodist Church?

If you are from another Methodist Church you merely need to transfer your membership to BMC. Please forward to us the Removal/Transfer Letter from your present Church. You should also join us for the **'Welcome to BMC'** Breakfast.

Ask your previous church to send the document to Mandie Agrella at mandiea@bmc.org.za or they can send it by post to the address as follows:

Mandie Agrella
P O Box 67218
Bryanston
2021

After you have joined us for the Breakfast you will be received and introduced to the congregation, at one of our welcome services.
